Dear Parent/Guardian:

The Georgia High School Association now requires that all high school students use a standardized form when completing their preparticipation physical evaluation. The history portion must be completed, and a parent/guardian signature is required prior to the physician's exam.

Morgan County High School requires all athletes to submit some proof of insurance coverage; i.e. Blue Cross/Blue Shield, Peach Care, Medicaid.

Please complete the information below:

Student's name: _____

Parent/Guardian's name: _____

My child is currently covered under our insurance policy.

Insurance carrier: _____

Policy Number: _____

Please check if your child IS NOT covered at this time, and you are interested in supplemental insurance from the high school.

*Due to issues of privacy and time, the vision, lymph nodes of the groin, and genitalia (males only) portions of the exam will not be performed during physicals conducted at the High School. If there are any concerns or questions regarding these areas, we strongly suggest contacting your family physician for further evaluation.
